Charges which may be made for information published under this scheme

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by Herts for Learning for routinely published material will be justified and transparent and kept to a minimum.

Information published on our website or sent electronically is free of charge.

If you request that the information that you have applied for be sent to you in hard copy, then the HfL may seek payment from you to cover the cost of such disbursements. In line with the information Tribunal Decision of David Markinson v Information Commissioner, HfL will charge 10p per A4 sheet of printing or photo copying and we may also seek payment for postage of those documents. For any documents over 100 pages, a fees notice will be issued and that fee will be for the total number of pages that require printing.

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

Charges may also be made for making datasets (or parts of datasets) that are relevant copyright works available for re-use. These charges will be in accordance with the terms of the Re-use of Public Sector Information Regulations 2015, where they apply, or with regulations made under section 11B of the Freedom of Information Act 2000, or with other statutory powers of the public authority.

If payment is requested, you will be informed by HfL of the fee required and how to make the payment. Once informed of the fee you will have 60 working days to make the payment as requested, if payment is not received by that time, then your request will be closed.

Written requests

Information held by Herts for Learning that is not published under this scheme can be requested in writing by email to dp.foi@hertsforlearning.co.uk, when its provision will be considered in accordance with the provisions of the Freedom of Information Act 2000.
