

We are a leading national provider of school improvement and business support services, training, and resources. Helping schools, settings and trusts to deliver a great education for their children.

“There was a real understanding, and a determination and commitment, to give us the support we needed to move the school forward.”

We operate as a social enterprise on a not-for-profit basis, working with more than 500 schools, 30,000 school staff members, 202,000 pupils and 5,000 governors, supporting them to overcome current and future challenges within the education sector.
