

ESSENTIALWRITING.

*A complete writing curriculum
for years 1-6*

HFL Education's Essential Writing curriculum is tailored to meet the needs of today's learners, offering a sequenced writing scheme that centres on rich literature and builds children's agency in the writing process.

Carefully constructed models, scaffolds and opportunities for oral rehearsal aim to underpin the emphasis on composition with a rigorous approach to foundational skills. By recognising writing as a crucial tool for personal expression and communication, our curriculum aims to foster confident, motivated, and self-reliant writers who find joy and value in the writing process.

Available from June 2024, schools will be able to subscribe to this online resource and give all their staff access to the complete suite of resources 24/7.
