WHAT IS THE THEME OF THIS YEAR'S CONFERENCE?

Our focus this year is on cultivating wellbeing and inspiration in leadership and during the conference we'll empower you to go on and create and sustain a culture of wellbeing within your school community. We understand the importance of self-care as a foundation for sustainable leadership and the need for headteachers to build the confidence and capacity to lead with resilience and optimism.

Throughout the conference you'll hear from our outstanding keynote speakers, take part in productive workshops and benefit from opportunities to reflect on your leadership journey and identify areas for personal and professional growth.
