Session Details

This alphabetical list gives full details of each workshop session, enabling you to make an informed choice as you build your personalised programme.

A Headteacher's role in monitoring effectiveness of Safeguarding procedures

Dominic Bedford & Lisa Massey, HFL Education

This session focuses on equipping Headteachers with the skills to evaluate and enhance their school's safeguarding practices. It covers key areas such as policy implementation, staff training, and the importance of regular audits to ensure a safe environment for all students

Balancing leadership with wellbeing - making time for you

Catherine Tallis and Linda Hardman, HFL Education

This session will focus on you and your wellbeing. An opportunity to pause and reflect on your emotional and mental health, we will explore, through a case study example, strategies for managing stress and avoiding burnout.

Creating strong school communities

Michael Catchpool & Sarah-Jane Ferguson, HFL Education

This workshop focuses on building cohesive and supportive school environments. It covers strategies for fostering collaboration among staff, students, and parents/carers, emphasising the importance of engaging families in school activities and decision-making processes to strengthen the overall community.

Courageous conversations: Leading with confidence and compassion

Anne Peck & Clair Hicks, HFL Education

The focus of this session is to empower Headteachers to handle difficult conversations with clarity and empathy. It covers techniques for maintaining constructive dialogue, fostering mutual respect, and achieving positive outcomes even in challenging situations

Handling complaints professionally: Dealing with difficult cases

Paul Davies, HFL Education

This workshop will equip Headteachers with strategies to manage complaints effectively and maintain professionalism in challenging situations. It covers techniques for active listening, empathy, and assertiveness, ensuring that complaints are resolved constructively, and stress is managed efficiently.

How to better serve disadvantaged pupils

Joanna Di Bella, HFL Education

This workshop focuses on strategies to support the academic and personal development of disadvantaged students. It covers identifying barriers to learning, implementing targeted interventions, and fostering an inclusive school environment to help all pupils thrive

Managing staff absence

Chris Williams, HFL Education

The focus of this workshop is to provide strategies for effectively handling staff absences to minimise disruptions and maintain productivity. It covers best practices for tracking absences, supporting employees, and implementing policies that balance organisational needs with staff well-being

Navigating your way in Hertfordshire - finding the right support at the right time

Carole Bennett & Heidi Otranan, HFL Education

This workshop aims to help Headteachers identify and access local support services efficiently. It covers strategies for connecting with community resources, understanding available assistance, and ensuring timely support for students and families in need

Ofsted – how leaders can utilise the Ofsted toolkit to inform self evaluation

Lisa Massey & Kate Beaumont, HFL Education

This workshop focuses on helping Headteachers leverage the Ofsted toolkit to enhance their school's self evaluation processes. It covers practical strategies for using the toolkit to identify strengths and areas for improvement, ensuring continuous development and readiness for inspections.

Strategic leadership of AI in your school

Chris Carter, HFL Education

This workshop focuses on guiding Headteachers on the ethical considerations, safeguarding, and legal compliance surrounding AI adoption. It will explore defining a clear purpose for AI, developing effective policies, and maintaining crucial human oversight. Attendees will leave with practical actions to consider further in their schools.

Supporting resilience for SENCOs/SEN teams

Louise Barrell and/or Becky Rothwell, HFL Education

This workshop focuses on strategies to help SENCOs and their teams build resilience in their demanding roles. It covers effective time management, delegation techniques, and self-care practices to maintain a healthy work-life balance and enhance their capacity to support students

Talking Heads

Anne Peck, HFL Education

This session will provide delegates with current examples of inspirational leadership and the building of a positive culture, with Heads from across Hertfordshire.

Working collaboratively with governors in a changing and challenging world

Cathy Irons and Jonathan Ellam, HFL Education

During this session, we will discuss how school governors and trustees play a pivotal role as leaders of educational settings in navigating a myriad of challenges, including stakeholder engagement and effective partnership working.
