4 pm	Different, Not Difficult, A Generational Intelligence Session for Primary & Nursery Headteachers Andy Goram, Lead Facilitator, Purple Story Group Inclusive leadership isn't just about protected characteristics — it's about understanding the full range of human experience that walks into your school every day. As a headteacher in 2026, you're leading teams that span four generations, managing parents whose expectations are shaped by entirely different life experiences, and trying to retain Early Career Teachers who see the world — and work — differently to the colleagues who trained them. This keynote is about making that your advantage, not your problem.				Frances Crick Auditorium
